

ANYBODY UP FOR A DRIVE?  
IT'S TIME FOR THE MUD RUN 2  
Saturday, April 17th  
hosted again by Mike & MJ Schweiger

CLARIFICATION: We will be keeping the cars on the road. Despite the new name of our event, we're not literally driving off-road in the mud. But we can pretty much guarantee the roads will not all be pristine and clean - this is Wisconsin farm country, you know ...

10am: Meet at Don Miller Mazda in Madison; peruse and purchase BMC merchandise from Lin Carlson; introduce or reacquaint yourself and your Miata/MX5 with the BMC.

11-11:30am: Lunch provided by DMM - as reported, something other than Italian; meet the new DMM sales manager, Craig Weinburger; meet the officers and get caught up on club stuff; sign up for the usual Mazda goodies give-aways.

After lunch-12:30 - 1pm: Final instructions and pick up your route sheet; head out for the afternoon drive to our usual starting spot on Schneider Rd. (directions will be provided).

THE DRIVE: during the afternoon we'll be running around the usual culprit roads in the area SW of Madison, with stops to compare mud accumulation in New Glarus and Mt. Horeb.

5-5:30pm: Dinner at Benvenuto's Italian Restaurant on Madison's north side; order off the menu; separate checks; dinners are huge; cash bar - cheap beers!

THEN GO HOME AND WASH YOUR MIATA

no limit on cars or for dinner  
do all or any parts of the day
