

Update #2
Lake to Lake Drive
Saturday, August 14, 2010

We've discovered some gorgeous squiggly roads leading to very picturesque lakes in kettle moraine country. Our drive begins in Oconomowoc. We'll hit several of Wisconsin's famous Rustic Roads, and spend some time enjoying the Lake Geneva area. This is a full-day drive. Let us know if you need recommendations for area lodging.

Stay tuned for further updates.
