

Update #3

Lake To Lake Drive; August 14, 2010

Our morning will begin at a Hwy. 67 location in Oconomowoc. Peaceful lake views and scenic vistas will enhance the winding, hilly roads of Lake Country. An adventurous drive on rustic roads through the Southern Kettle Moraine State Forest brings us to lunch at a hidden restaurant located between two scenic lakes.

Our afternoon drive on yet more winding rustic roads leads us to our afternoon stop for browsing and shopping in delightful Lake Geneva. From here it's on to dinner where we end the day on the western shore of Lake Nagawicka in Delafield around 7:30 PM. Fishbones Restaurant features Cajun, Creole and Mexican fare at prices ranging from \$12 to \$30.

Join us for a delightful drive through the natural beauty of the Southern Kettle Moraine area.

Contact Jim & Marcy Hotz at marcyh@wi.rr.com to RSVP no later than August 7th.
