

Crawford County Drive Sept 18, 2010 Update #2 (posted Jul 26, 2010)

We have moved our lunch spot from downtown, metropolitan Gays Mills, to one of the orchards up on the hill. One orchard has more baked goods and ice cream, and the other has sandwiches, apple pizza, some baked goods and a little store. We will hit them both. We will be having a winery stop also, just before we stop to partake of our last meal of the day. Dinner will be at Honkers, junction of Hwys. 60 and 80. We will need a count for that dinner stop, so please Email Tuckwoods at wjt@tds.net.
