

Be a VIP at Continental Road Race Showcase on August 5-7. While you're there, join our Mazda Ride & Drive Event.

At Mazda, we're so passionate about driving, we'll never stop racing—and taking the lessons we learn from the track to build vehicles that are more responsive, tighter in the turns and simply more fun to drive. It's that very philosophy that enabled us to easily transform the fourth-generation MX-5 Miata into a track-ready Global Mazda MX-5 Cup car.

As a valued Mazda owner who knows what great driving is all about, you're invited to receive VIP treatment at our next race at Continental Road Race Showcase. Stop by our display in the Midway from 5:45-6:45 p.m. Saturday evening for a Mazda Owners Cookout. Enjoy free food and drinks, meet the MX-5 Cup drivers, and grab a gift bag. During the cookout, you can also participate in a Trivia Contest for a chance to win Hot Lap tickets, Mazda t-shirts, and more.

Not able to make it to dinner? Stop by our display and enjoy guest access to our Mazda VIP Owner's Lounge, including:

- Complimentary snacks and drinks
- Free WiFi and charging stations for your technology
- Air conditioning and a live feed of the race
- A rooftop viewing deck

While you're there, make sure to test your racing skills on our ultra-realistic iRacing race simulators and try out the all-new Mazda Pit Stop Experience with #MazdaRacing.

Besides an exciting race, come by our Ride & Drive Event at the Upper Motorplex. This is your chance to take a Mazda for a spin and see for yourself how Mazda's driving dynamics keep getting better – on and

off the track.

See you at the race!

Please join us at:

Continental Road Race Showcase
