

## The House – Rock Tour September 11, 1999

The Lake Effect Miata Club (from Indiana) came to WI for a weekend of fun in Sept. of 1999. In coordination with Joe Menigoz, Bill & Marinette Wanezek outlined the following 3 ½ hour drive from Stoughton to Spring Green for them. A couple members of the BMC joined the IN club, Joe & Michelle, and Bill & Marinette for this drive.

The drive begins in Stoughton around the intersection of Main St. & Van Buren St. (Hwys 138 & 51) (actually we met at the hotel where the IN drivers were headquartered, but I can't remember which one or exactly where it was.) The mid-morning break is Blanchardville. The drive ends (with a late lunch) at the Round Barn outside of Spring Green. From there, the IN club went on to a tour of the House on the Rock, and if I remember right, they ended their day with dinner Madison. We left the drive & headed home after lunch.

Included after the drive is the "Bug-Smashing Contest" info – a fund raiser for the IN club. We purchased black-and-white "bulls-eyes" cardboards – about 3" X 3", which we attached to our Miatas. At the end of the drive, the cardboards were collected & examined – you can see the "rules" for yourself.

OD	TURN	ROAD	MI
0.0	L	out of driveway, then left again, then right onto the highway (or start from the intersection above & adjust ODO accordingly)	0.2
0.2	R	Hwy 138 South from Stoughton	3.2

#### **Look Straight Ahead to LEFT**

**The Windmill on top of the hill is Frank Lloyd Wright's**

**Romeo and Juliet**

**On the left a short distance ahead is Taliesin,**

**Frank Lloyd Wright's Studio and home**

44.4	L	Business District - Jefferson Street	0.5
44.9	R	Wood Street	0.8
45.7	L	Round Barn and Lunch is on the right in about a block	

**Turn left on 23 when leaving Round Barn and follow 23 South  
to House on the Rock**

Once again, this drive was routed in 1999. Things/roads have probably changed since then. We take no responsibility for any errors or changes in the route due to "age" or faulty math.  
Have fun & drive carefully.

## **BUG - SMASHING CONTEST**

Win cash by playing the bug-smashing contest. Affix target(s) on your car where you think you have the most chance of winning. Targets will be sold at the beginning of the drive to Stoughton, and collected at the end of the drive at Stoughton. The cost of each target is \$2.00 - or 3 for \$5.00.

All money collected will be split with the Lake Effect Miata Club receiving 50% and one winner receiving the remaining 50%.

Winner must be present to win. The official rules are:

1. No more than three (3) targets per car.
2. Players must affix targets.
3. Contest administrators are not responsible for lost targets.
4. Any lost targets can be replaced by purchasing new ones @ \$1.00 per target.
5. Not responsible for any damage to paint - we will provide masking tape, which can easily be removed.
6. The largest bug closest to the center of the target wins. In case of ties cards will be drawn to determine the winner. The person drawing the LOWEST card wins the contest.
7. All bugs must have been hit with the car (No finding bugs and smashing them on target!)
8. Only official targets can be used.
9. Please put your name on your targets before turning them in.
10. Decision of judges is final (game administrators are the judges).

GOOD LUCK!!
