**Morning Feeding Tour (1-2 hours, starts at 8:00am)** Experience the purest of animal instinct and rage of the big cats! Feel the true power and ferociousness behind the scenes in a true feeding frenzy. Also along the tour, learn the story of each cat and how they came to the rescue. There are only 20 spots available per day, so call for your spot today!!! (Must reserve at least 1 day in advance)

**Founders Tour (45 min – 1 hour)** Come and learn the amazing story behind each one of these majestic cats directly from the people who have been here since the start. You'll meet each cat and see the special bond they have with the founders. Call for your tour today!!! (Must reserve at least 1 day in advance)

**Night Tour (1 hour)** The adrenal rush of a lifetime! The sun goes down and the cats come out to play! See them like you never have before...if you can find them on this 1 hour guided tour. You will also learn the background story of each cat at the rescue. Bring your flash light and your courage. Call for your night tour today!!! (Must reserve at least 1 day in advance). For all tours (except Morning Feeding Tour), participants are welcome to walk the tour or drive thru the tour with their own vehicle.
